📍 Córdoba, Argentina

## ABOUT ME

3D Designer highly creative with extensive experience in modeling and rendering. Capable of creating innovative and realistic designs for a wide range of projects. Strong communication skills and ability to work effectively in a team.

## EDUCATION

**2020 - 2024** BUSINESS UNIVERSITY SIGLO XXI | BACHELOR OF DIGITAL DESIGN AND ANIMATION

Bachelor's degree in Digital Design and Animation focused on 2D/3D animation, visual storytelling, and multimedia content production. Trained in creating digital assets for advertising, entertainment, and interactive media using industry-standard tools.

## WORK EXPERIENCE

**2014 - 2016** COOKING ADVERTAGING AGENCY | 3D DESIGNER

Designed and rendered products using 3D software, creating high-quality visuals for various applications. Developed virtual environments for presentations and simulations, ensuring realistic and engaging results. Collaborated with multidisciplinary teams on 3D design projects, contributing to both creative and technical aspects of production.

**2024 - 2024** HAVOC RECORDS | MODELING AND DESIGNER 3D

Created 2D and 3D designs and animations using specialized software. Experienced in visual effects and compositing within video editing programs, delivering polished and cohesive final content.

**2014 - 2016** XPR SPORT EXPERIENCE | ANIMATOR AND VIDEO EDITING

Created advertising videos for brand social media using CGI, including interview edits and promotional content. Collaborated with a large creative team to develop and produce engaging visual material.
